

**CANADIAN COMMITTEE
ON
LABOUR HISTORY**

JOURNAL

Labour/Le Travail is the official publication of the Canadian Committee on Labour History. Since it began publishing in 1976, it has carried many important articles in the field of working-class history, industrial sociology, labour economics, and labour relations. Although primarily interested in a historical perspective on Canadian workers, the journal features documents, conference reports, an annual bibliography of materials in Canadian labour studies, review essays, and reviews. While the main focus of the journal's articles is Canada, the review essays and reviews consider international work of interest to Canadian labour studies. Many of *Labour/Le Travail's* articles are illustrated and each issue is book length, averaging 350+ pages.
